

## Calling all local residents & businesses

---

Hove Station Neighbourhood Forum invites you to Ralli Hall for our fourth Have Your Say Day about the Neighbourhood Plan.

The Forum was set up in response to the council's recently approved City Plan which proposes the construction of a minimum of 600 new homes and the provision of hundreds of new jobs in the area defined by the map.

Help us to ensure our neighbourhood is developed for the benefit of us all in a way that provides:

- ✓ The best use of the scarce space available
- ✓ Good quality housing, places of employment & green spaces
- ✓ Public amenities for everyone to enjoy and value for many years to come

## About us

---

We (residents like you) are all striving to make the Hove Station Neighbourhood a better place in which to live and work.

We are creating a legal framework called a 'Neighbourhood Plan' which will enable local residents and businesses to influence the large scale regeneration of 'Development Area 6' - as designated in the Brighton & Hove City Plan.

The Have Your Say Days are a vital part of the process. We gather feedback at these events, via our website and also our Facebook page in order to write the policies that will shape the future of our neighbourhood. Residents will then have a chance to approve these policies in a referendum. Please visit us online for more information.

## What to expect

---

- ▶ Hear from developers and planners about their proposals for the redevelopment of sites in and around Hove Station. They will affect you!
- ▶ Speak to the Forum committee, local planners and landowners about their hopes and visions for the area
- ▶ Discuss the issues and opportunities of new residential and commercial developments
- ▶ An update on our campaign to prevent the use of land next to Sackville Trading Estate for waste management
- ▶ Join our campaign for Hove Station's footbridge
- ▶ See the progress of our emerging Neighbourhood Plan
- ▶ Discover all the ways you could get involved

## Speakers from noon

---

- ★ Welcome and introductions by  
★ Chair of the forum (Nigel Richardson)
- ★ Neighbourhood Plan Co-ordinator (Mike Gibson)
- ★ Brighton & Hove City Council - Policy, Projects & Heritage
